Welcome from the Minister for Tourism, Sport and Major Events, Steve Dimopoulos

On behalf of the Victorian Government, I'd like to welcome you to the 2025 Pony Club Australia National Championships at the Werribee Park National Equestrian Centre.

This is the premier pony club competition in Australia and what a perfect location for five days of equestrian in the heart of Melbourne's western suburbs.

We're proud to support the Championships through our Significant Sporting Events Program, which helps organisations to deliver national and international sporting events.

The program has secured more than 1,100 events for Victoria, with over half hosted in regional Victoria, boosting local jobs and economies, and showcasing our iconic regions.

I'd like to congratulate Pony Club Australia on delivering another edition of the National Championships in Victoria.

Across the competition, we'll see the country's and some of the world's best junior, senior and masters age riders competing in dressage, showjumping, eventing, formal gymkhana, quiz, mounted games and tetrathlon.

Over 300 riders are here to compete, and I'd like to express a formal welcome to those visiting from interstate and overseas for the Inter Pacific Exchange.

Events like these Championships showcase Victoria's diverse sporting events calendar and world-class facilities, and keep local businesses busy, hotels and shopping strips bustling and our economies strong.

While you are here, I encourage you to explore the many attractions in the precinct and beyond, including the Werribee Open Range Zoo and State Rose Gardens.

Werribee is just a short commute to Melbourne's CBD, so I'd encourage you to also explore and enjoy the many attractions that our city has to offer including world class tourist attractions and some amazing food and wine.

Best of luck to all our participants and I hope competitors and spectators enjoy a fabulous event.

I wish you all the best for your time here in Victoria.

DON'T LET DEHYDRATION GET YOU DOWN!

Keeping our horses hydrated is a year-round duty, however the risk of dehydration is certainly elevated when travelling and competing. Changes in environment, stress, and physical exertion can all play a factor in horses drinking less, or even "refusing" to drink when away from home. Knowing how to spot the signs and prevent the onset of dehydration is the best way to manage this risk, and thankfully, it is a simple process that any rider can carry out.

How do I check if my horse is dehydrated?

Skin pinch test

A skin pinch test is the quickest and easiest way to check your horse's hydration. Test by pinching your horse's skin between your thumb and forefinger, near their point of shoulder. If hydrated, the skin will return flat in less than a second as it is in an elastic state. If they are moderately dehydrated it may take between 2-4 seconds, whilst anything longer than 4 seconds can indicate severe dehydration.

Capillary Refill Time

Horses' gums should be pink in colour and moist. Press your thumb on the upper gum for a second, turning the point light pink. When released, the point should return to pink within the second. A longer reaction time may be an indication of dehydration.

Overall appearance and behavior

Ask yourself the questions; has your horse eaten, are they alert and bright, and do they appear tucked up? Failure to eat, dull or flat behaviour, and drawn up flanks are simple observations that can be early indicators of dehydration onset.

What can I do to prevent/treat dehydration?

As a horse becomes dehydrated, the salt concentration in their blood decreases, and ultimately reduces their thirst reflex. Thus, it is important to stimulate the horse's thirst reflex, in order to encourage water intake and maintain their hydration. This is where electrolytes come in!

- Electrolytes and/or salt should be provided daily, particularly to performance horses.
- At a minimum, an electrolyte should be provided on competition days to replenish loss in sweat.
- In the lead up to travel, pre-hydrate by providing an electrolyte the night before departure, encouraging a big drink up before the journey where water access is restricted.

If you are concerned that your horse is suffering from moderate to severe dehydration, contact a veterinarian immediately.

A Proud Tradition: The History of the Pony Club Australia National Championships

For three decades, the Pony Club Australia National Championships have stood as a proud symbol of excellence, sportsmanship, and national spirit. Held every two years, this prestigious event brings together riders from all corners of the country to compete in a range of disciplines, united by a shared love of horses and the values that define Pony Club.

From grassroots beginnings to Olympic aspirations, the Championships offer more than just competition. They are a celebration of the camaraderie, teamwork and horsemanship that sit at the heart of the Pony Club experience.

The very first National Championships took place in 1995 in Wagga Wagga, New South Wales, under the inspiring banner “Towards 2000.” With Sydney recently announced as the host city for the 2000 Olympic Games, the inaugural event encouraged young riders to come together, compete at a national level, and dare to dream of international heights.

The 2023 Pony Club Australia National Championships were held in Perth, WA. Photo credit: Rebecca de Vries Photography.

Since then, the Championships have grown into a much-anticipated tradition, giving Pony Club members the opportunity to represent their state or territory, forge lasting friendships, and strive for the honour of lifting the Roger Braham OAM Perpetual Shield – a symbol of the highest team achievement at the Nationals.

Pony Club Australia recognises the investment and support provided by the Australian Government through the Australian Sports Commission’s Play Well investment funding, which strengthens Pony Club programs nationally and helps ensure the continued growth, accessibility, and success of our community.

Each edition of the event brings its own flavour, shaped by the host state and the Pony Club community that rallies behind it. Over the years, the Nationals have been held in iconic equestrian venues across the country, from bustling showgrounds to Olympic-standard arenas.

Special Thanks

The Ranvet 2025 Pony Club Australia National Championships would not have been possible without the generous support, time, and energy of so many individuals and organisations. We extend our heartfelt thanks to all who helped bring this event to life.

Our Title Partner – Ranvet

A special thank you to Sharne Haskins and the incredible Ranvet team, whose support has extended far beyond sponsorship. Ranvet's long and proud history with Pony Club reflects their deep connection to our community. Not only are they passionate horse people – they are Pony Club people. Their team has shared our commitment to making this flagship event a true celebration of horsemanship, community spirit, and the next generation of equestrians. This partnership has been so much more than a logo on a banner; Ranvet has brought an experienced, enthusiastic, and hands-on team dedicated to ensuring the best possible experience for our riders, families, and spectators alike.

Education, Demonstrations & Entertainment

Our Championships were enriched by the generosity of those who shared their knowledge and passion. Thank you to Jessica and Kody Dertell of Future Farms for their inspiring masterclass, and to Polocrosse Victoria for thrilling us with their educational demo match. EQ Saddlery, LeMieux, and Ranvet also deserve special recognition for bringing fun

and laughter to the inaugural Nationals Hobby Horse Championship. We also acknowledge our daily talks presenters – Ranvet, Scootboot, Racing Victoria, Equissage, Equitation Science International, Bit Right Equine Accredited Bit Fitter Fiona Dearing, Dr Andrea Redgewell of Yarra Valley Vets, Johnson's Natural Formula, Hairy Pony and Polocrosse Victoria – for adding such depth and value to the educational experience of the Championships.

Opening Ceremony & Special Contributions

The Opening Ceremony was made especially memorable thanks to the vibrant musical ride from Maryborough & District Pony Club. We also extend heartfelt thanks to Earlwood Equine for the beautiful trophy rugs that will be treasured by our champions, and to Belinda Squires of BeStitched Embroidery for her skill and care in bringing our event branding to life.

Venue & Rider Experience

Our thanks go to Michelle Coates and her wonderful team at Werribee Park National Equestrian Centre for their outstanding venue support. We are also grateful to Anita Blokkeerus and the dedicated Racing Victoria team for bringing the Riders' Lounge to life – creating a space for riders to connect, rest, and recharge during the Championships.

Media & Technical Support

This year's livestream coverage was made possible through the expertise of Jonathan Rippon and the Horse & Country team on H&C+, with the insightful commentary of Christine Crawford bringing the action to life for audiences at home. We also extend our appreciation to Aengus Wright of Horse Sport Technology for his design and display support, ensuring a seamless and professional broadcast experience.

Volunteers & Community Spirit

Finally, to the many individuals who gave their time and energy to make the Championships a success – thank you. In particular, we wish to recognise Pony Club Australia volunteer Sonia McWhirter for her tireless efforts in managing merchandise. Our volunteers embody the true heart of Pony Club: generosity, teamwork, and the spirit of giving back to the community.
